Together for our children

The Schulverein, which exists since March 1995, always steps in when there are requests from pupils or teachers in connection with projects that the school cannot finance on its own.

For example, it supports financially:

- Excursions, bus trips and school trips
- Author readings and theater visits
- health programs
- Individual students in difficult financial situations.

He also takes part in school celebrations and festivals, e.g. by providing coffee and cake.

We need you as a member!

With a membership or with a one-time donation, you are making a great contribution to the development of the school and the education of your children. Support projects and activities that enrich your child's everyday school life.

Help to make the school grounds even more attractive and eventful for your child.

Join the school association and support the children with a small donation. Thank you very much!
